Re: MB Docket 10-56

Dear Chairman and Commissioners :

Since 1958, Big Brothers Big Sisters of Greater Miami has served thousands of children in Miami Dade County. Our success is a direct result of valuable Community Partners.

Big Brothers Big Sisters of Greater Miami strongly supports the approval of the Comcast –NBC joint venture. Comcast has been a loyal partner of our mentoring mission, and has consistently supported Big Brothers Big Sisters in our efforts to reduce the number of at risk kids in our community. This kind of Commitment is priceless.

Big Brothers Big Sisters of Greater Miami would encourage you to consider Comcast's active community engagement when reviewing business ventures such as this proposed partnership with NBC.

We are proud to consider Comcast as part of our committed supporters, and welcome the opportunity to further discuss this with you.

Respectfully,

Lydia Muniz
President & CEO
